Set below, is a comparison by class of the carrying amounts and fair value of the Company's financial statements, other than those with carrying amounts that are reasonable approximation of fair values :

Financial instruments by category		Carrying value		Fair value	
		31st.March,2020	31st.March,2019	31st.March,2020	31st.March,2019
Financial assets at amortised cost					
Trade receivables	3 & 7	1,75,54,665	66,26,150	1,75,54,665	66,26,150
Security deposits	4	58,050	30,000	58,050	30,000
Cash and cash equivalents	8	6,49,12,427	1,16,97,546	6,49,12,427	1,16,97,546
Interest accrued and due	9	3,02,613	1,40,021	3,02,613	1,40,021
Total financial assets		8,28,27,755	1,84,93,717	8,28,27,755	1,84,93,717
Financial liabilities at amortised cost					
Trade payables	14	86,01,874	43,094	86,01,874	43,094
Total financial liabilities		86,01,874	43,094	86,01,874	43,094

The carrying amounts of trade receivables, trade payables, cash and bank balances, and other financial assets are considered to be the same as their fair values.

Note 25: Segment information

The company is engaged in one segment of erection and commissioning of industrial boilers and sugar plants and related accessories identified in accordance with principles enunciated in Indian Accounting Standard (IND AS-108), Segment Reporting. Hence, separate business segment information is not applicable. The Board of directors of the company has been identified as The Chief Operating Decision Maker (CODM). The chief Operating Decision Maker also monitors the operating results as one single segment for the purpose of making decisions about resource allocation and performance assessment and hence, there are no additional disclosures to be provided other than those already provided in the financial statements.

Note 26 : Revenue from contracts with customers (Disclosure pursuant to IND AS 115)

(IN INR)

Particulars	31st.March,2020		31st.March,2019
Revenue from customers (refer note 18)	1,09,66,000		-
Contract balances			
- Unbilled revenue (refer note 11)	1,47,000		-
- Contract liability (refer note 16)	6,24,35,323		4,42,104
Amount of revenue recognised for : Amount included in the contractual liability of the beginning of the year			
Reconciliation of revenue recognised in profit and loss and contracted price: There is no reconciliation between the amount of revenue recognised Rs NIL and with the contracted price			
Right to return asset and refund liability: There is no right to return asset and refund liability with the company			
Timing of recognition and method, and Information about performance obligation: -The timing for revenue recognition is services performed overtime -The company uses input method for recognising services overtime progressively by measuring the progress towards complete satisfaction of that performance obligation, because the customer simultaneously receives and consumes the benefits provided by the entity's performance as the entity performs. -There is no remaining performance obligation, as on 31st.March,2020 (31st.March,2019 NIL) to be performed next year in relation to the resale of machinery/erection services in the current year			

Note 27 : Financial risk management

The company's financial liabilities comprises of trade and other payables. The main purpose these financial liabilities is to manage finances for the company's operations. and financial assets include trade and other receivables, cash and cash equivalents and other financial assets that are derived from its operations. The company is exposed to Market risk, credit risk and liquidity risk.

(a) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprises three types of risk: currency rate risk, interest rate risk and other price risks, such as equity price and commodity price risk. Financial instruments affected by market risks include loans and borrowings, deposits and derivative financial instruments.

(a) Credit risk

Credit risk is the risk that a counterparty will not meet the obligation under a financial instrument or customer contract, leading to a financial loss. The company is exposed from its operating activities (primarily trade receivables) which are unsecured and derived from external customers. Credit risk on cash and cash equivalents is limited as we generally invest in deposits with banks. Investments primarily include certificates of deposits which are funds deposited at a bank for a specified time period. The board of directors reviews and agrees policies for managing each of these risks. The limits are set to minimise the concentration of risks, and therefore mitigate loss through counterparty's potential failure to make payments.

Trade receivables

Customer credit risk is managed by the company's established policy, procedures and control relating to customer credit risk management. Outstanding customer receivables are regularly monitored and an impairment analysis is performed at each reporting date on trade receivables by lifetime expected credit loss method based on provision matrix. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed in Note 3. The company does not hold collateral as security. The company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and industries and operate in largely independent markets. Trade receivables are written off when there is no reasonable expectations of recovery or failing to engage in a repayment plan with the company.

Expected credit loss for trade receivables under simplified approach					(IN INR)
Ageing	Not due	Less than 6 months	6 to 12 months	More than 12 months	Total
As at 31st.March,2019					
Gross carrying amount				73,62,389	73,62,389
Expected credit loss				-7,36,239	-7,36,239
Carrying amount of trade receivables (net of impairment)				66,26,150	66,26,150
As at 31st.March,,2020					
Gross carrying amount		1,39,68,739		42,62,389	1,82,31,128
Expected credit loss				-6,76,463	-6,76,463
Carrying amount of trade receivables (net of impairment)		1,39,68,739		35,85,926	1,75,54,665

The following table summarises the change in the loss allowances measured using expected credit loss model (ECL):

Particulars	(IN INR)
As at 31st.March,2019	7,36,239
Provided during the year	
Reversal of provisions	-59776
As at 31st.March,,2020	6,76,463

(b) Liquidity risk

Liquidity risk is defined as the risk that company will not be able to settle or meet its obligation on time or at a reasonable price. The Company's objective is to at all times maintain optimum levels of liquidity to meet its cash and its liquidity requirements. The company closely monitors its liquidity position and deploys a robust cash management system. It maintains adequate source of financing through the use of short term bank deposits. In addition processes and policies related to such risk are overseen by senior management. Management monitors the Company's liquidity position through rolling forecast on the basis of expected cash flows.

Maturities of financial liabilities

The following table summarises the maturity profile of the company's financial liabilities at the reporting date based on contractual undiscounted payments

Contractual maturities of financial liabilities	31st.March,2020					31st.March,2019				
	on demand	Less than 3 months	3 to 12 months	1 to 5 years	Total	on demand	Less than 3 months	3 to 12 months	1 to 5 years	Total
Non-derivatives										
Trade payables	86,01,874				86,01,874	28,694			14,400	43,094
Total Non-derivatives	86,01,874				86,01,874	28,694			14,400	43,094

Note 28: The company is not having any contingent liabilities, commitments and litigations as on 31st.March,2020 (31st.March,2019 NIL)

Note 29 : The Company has considered the possible effects that may result from the pandemic related to COVID-19 on carrying amounts of receivables and unbilled revenues. In developing to the assumptions relating to the future possible uncertainties in the global economic conditions because of this pandemic, the Company as at the date of approval of these financial statements has used internal and external sources of information on the expected future performance of the Company. The Company expects the carrying amount of assets will be recovered.

Note 30: Previous year's figures have been regrouped /reclassified wherever necessary to correspond with the current year's classification/disclosure.

Management Representation Letter for Matters Relating to Audit of internal financial controls over financial reporting

To
M/s K.C.MALHOTRA& CO,
Chartered Accountants
New Delhi

Dated: 16.06.2020

This representation letter is provided in connection with your audit of the internal financial controls over financial reporting in the audit of our Company in conjunction with your audit of the Financial Statement for the year ended March 31, 2020, for the purpose of expressing an opinion as to whether the Company had, in all material respects, an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting and the Standards on Auditing issued by the Institute of Chartered Accountants of India (ICAI) and deemed to be prescribed by the Central Government in accordance with Section 143(10) of the 2013 Act, to the extent applicable to an audit of internal financial controls over financial reporting.

We confirm that to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves:

1. We are responsible for establishing and maintaining adequate and effective internal financial controls based on our business module & operations and the preparation and presentation of the financial statements as set out in the terms of the audit engagement date
2. We have performed an evaluation and made an assessment of the adequacy and effectiveness of the company's internal financial controls and based on the following control criteria
 - Well defined financial authority duly approved by board.
 - Existing Underwriting guidelines/claims procedures.
 - Robust Information technology system.
 - Well defined hierarchy in the organization chart.
 - Well defined hierarchy in the various offices.
 - Clear work flow.
 - Various Instructions, guidelines and circulars issued from time to time and review.

3. We have not used the procedures performed by you during the audit of internal financial controls over financial reporting as part of the basis for our assessment of the effectiveness of internal financial controls.

4. Based on the assessment carried out by us and the evaluation of the results of the assessment, we conclude that the Company has adequate internal financial controls system that was operating effectively as at the March 31, 2020

5. We have disclosed to you deficiencies, if any, in the design or operation of internal financial controls identified as part of management's evaluation

6. There were no instances of fraud resulting in a material misstatement to the company's financial statements and any other fraud that does not result in a material misstatement to the company's financial statements but involves senior management or management or other employees who have a significant role in the company's internal financial controls.

7. There have been no communications from regulatory agencies concerning noncompliance with or deficiencies in financial reporting practices.

8. We have provided you with:

All information, such as records and documentation, and other matters that are relevant to your assessment of internal financial controls;

Additional information that you have requested from us; and

Unrestricted access to those within the entity.

9. There are no changes in the internal financial controls system from March 31, till the date of this representation letter.

INDEPENDENT AUDITOR'S REPORT

To the Members of Isgec Covema Limited

Report on the Audit of the Ind AS Financial Statements

Opinion

We have audited the accompanying Ind AS financial statements of Isgec Covema Limited ("the Company"), which comprise the Balance sheet as at March 31 2020, the Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended, ("IND AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, the loss and total comprehensive loss, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Ind AS Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Emphasis of Matter

We draw attention to Note 29 to the standalone financial statements and Note 2 b (i) of Significant policies which describes the management's evaluation of impact of uncertainties related to COVID-19 and its consequential effects on the operations of the Company. Our opinion is not modified in respect of this matter.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report 2019-20, but does not include the Standalone Ind AS financial statements and our auditor's report thereon.

Our opinion on the Standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the standalone Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal financial control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that

may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Ind AS financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure "A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - (e) The matter described in Emphasis of Matter paragraph above, in our opinion, may have an adverse effect on the functioning of the Company;
 - (f) On the basis of the written representations received from the directors as on March 31, 2020 and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164 (2) of the Act;
 - (g) With respect to adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure "B' Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

K.C. MALHOTRA & CO.

(h) In our opinion and to the best of our information and according to the explanations given to us, the provisions of section 197 read with Schedule V of the Act are not applicable to the company for the year ended 31st. March, 2020.

(i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company does not have any pending litigations which would impact its financial position;
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure 'A' to the Independent Auditors' Report

(Referred to in paragraph '1' under 'Report on Other Legal and Regulatory Requirements' section of our report to the members of Isgec Covema Limited of even date)

- i) The Company does not have any tangible assets as at March 31, 2020 and, accordingly, the requirements under paragraph 4(i) of the Order are not applicable to the Company
- ii) The Company's does not have any inventory as at 31st. March, 2020 and accordingly the requirements of paragraph 4(ii) of the Order is not applicable to the Company.
- ii) According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured to, companies, Limited Liability Partnership, firms or other parties covered in the register maintained under section 189 of the Companies Act, 2013. Accordingly, the provisions of clause 3 (iii) (a), (b) and (c) of the Order are not applicable to the Company.
- iv) In our opinion and according to the information and explanations given to us, the company has not granted any loans, investments, guarantees, and security in terms of Section 185 and 186 of the Companies Act, 2013. Hence, reporting under clause 3(iv) of the order is not applicable to the company.
- v) The Company has not accepted any deposits during the year and therefore, the provisions of the clause 3(v) of the order are not applicable to the company.
- vi) The maintenance of cost records has not been prescribed to the company by the Central Government under Section 148(1) of the Companies Act, 2013. Thus reporting under clause 3(vi) of the order is not applicable to the company.
- vii) According to the information and explanations given to us, in respect of statutory dues:
 - a) The company is regular in depositing with appropriate authorities undisputed statutory dues including income-tax, goods and service tax, cess and other material statutory dues applicable to it. The provisions relating to provident fund, employees' state insurance, duty of custom, duty of excise, value added tax are not applicable to the company.
 - b) There were no undisputed amounts payable in respect of income- tax, goods and service tax, cess and other material statutory dues were outstanding at the year end, for a period of more than six months from the date they became payable. The provisions relating to provident fund, employees' state insurance, duty of custom, duty of excise, value added tax are not applicable to the company.
 - c) There are no dues of income tax, goods and service tax, sales tax, excise duty and value added tax which have not been deposited on account of any dispute. The provisions relating to provident fund, employees' state insurance, duty of custom, duty of excise, value added tax are not applicable to the company.
- viii) According to the information and explanations given to us and records examined by us, The Company has not taken any loans from banks, financial institutions and government or has issued any debentures.
- ix) The Company has not raised any money by way of initial public offer / further public offer (including debt instruments) or term loans during the year and hence, reporting under clause (ix) of the order is not applicable to the Company,

- x) To the best of our knowledge and according to the information and explanations given to us, no fraud by the company or no material fraud on the Company by its officers or employees has been noticed or reported during the year.
- xi) The provisions of section 197 read with Schedule V to the Companies Act, 2013 are not applicable to the Company. Therefore, the requirements under paragraph 3(xi) of the Order are not applicable to the company.
- xii) In our opinion, the Company is not a nidhi Company and hence reporting under clause 3(xii) of the Order is not applicable to the Company.
- xiii) According to the information and explanations given to us, there are no transactions with the related parties except there is outstanding balance of a related party at year end as disclosed in note 23.1 to the standalone IND AS financial statements. The provisions of section 177 are not applicable to the company and accordingly reporting under clause 3(xiii) in so far as it relates section 177 of the Act is not applicable to the Company.
- xiv) During the year, the company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under audit and hence reporting under clause 3(xiv) of the Order is not applicable
- xv) In our opinion, and according to the information and explanations given to us, the Company has not entered into any non -cash transactions with directors or persons connected to its directors and hence provisions of section 192 of the Companies Act 2013 are not applicable.
- xvi) The company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934

Annexure 'B' to the Independent Auditor's Report

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the members of Isgec Covema Limited of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Isgec Covema limited ("the Company") as of March 31, 2020 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended March 31, 2020.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting, issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external

purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Isgec Covema Limited

Note 1 :Corporate information

The company is a limited company domiciled in India with its registered office at 860, New Friends colony, New Delhi-110065 and is incorporated under the provisions of the Companies Act,2013 as applicable in India. The company is the wholly owned subsidiary company of Isgec Heavy Engineering Limited holding the entire share capital alongwith its nominees.

The company is engaged in erection and commissioning of industrial boilers, sugar plants and related accessories

Note 2 : Summary of Significant Accounting Policies

(a) Basis of preparation and Statement of Compliance

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended).

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

These financial statements have been prepared under the historical cost convention on the accrual basis, except for certain financial instruments and provisions which are measured at fair values at the end of each reporting period, as explained in the accounting policies below (as applicable).The financial statements were authorised for issue by the company's Board of Directors on May,2020.

(b) Accounting estimates , assumptions and judgments

The preparation of financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and disclosure of contingent liabilities at the end of the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, Uncertainty about these assumptions and estimates could result in outcomes requiring a material adjustment to the carrying amounts of assets and liabilities in future period. The area involving critical estimate or judgment is recognition of deferred tax assets for carried forward losses, impairment of trade receivables and estimation of tax expense and other contingencies and commitments.

b(i) Impact of uncertainties related to COVID-19 (Global pandemic)

The Company has considered the possible effects that may result from the pandemic relating to COVID-19 on the carrying amounts of receivables and unbilled revenues. In developing the assumptions relating to COVID-19 on the carrying amounts of receivables and unbilled revenue to the possible future uncertainties in the global economic conditions because of this pandemic, the Company, as at the date of approval of these financial statements has used internal and external sources of information including credit reports and related information, economic forecasts. The Company has performed sensitivity analysis on the assumptions used and based on current estimates expects the carrying amount of these assets will be recovered. The impact of COVID-19 on the Company's financial statements may differ from that estimated

(c) Current versus Non-current classification

The Company presents assets and liabilities in statement of financial position based on current/non- current classification. An asset is treated as current when it is:

*Expected to be realised in normal operating cycle,

*Held primarily for the purpose of the trading,

Isgec Covema Limited
Significant accounting policies contd.

*Expected to be realised within twelve months after the reporting period, or

*Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is classified as current when:

*It is expected to be settled in normal operating cycle,

*It is held primarily for the purpose of the trading,

*It is due to be settled within twelve months after the reporting period, or

*There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

(d) Cash and cash equivalents

Cash and cash equivalents include cash on hand and deposit with banks. Cash equivalents are short term, highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

The cash flow statement is prepared in accordance with the Indian Accounting Standard (Ind AS) -7 "Statement of Cash flows" using the indirect method for operating activities.

(e) Provisions, Contingent Liability and Contingent Assets

Provisions are recognised when the company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

A contingent liability is disclosed when a possible obligation from past events and whose existence will be confirmed only by occurrence or non-occurrence of one or uncertain events not wholly within the control of the entity; or a present obligation that arises from past events but is not recognised because it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or the amount of obligation be measured with sufficient reliability.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by occurrence or non-occurrence of one or more uncertain events not wholly within the control of the entity. Contingent liabilities and contingent asset are not recognised but are disclosed in notes.

(f) Taxes

Current income tax

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961. Current income tax is charged at the end of reporting year to statement of profit and loss. However, no provision for tax has been made during the year as there is no assessable income.

Isgec Covema Limited
Significant accounting policies contd.

Current income tax relating to items recognised outside statement of profit or loss is recognised outside statement of profit or loss (either in other comprehensive income (OCI) or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred income tax is provided using the balance sheet approach, on temporary differences at the reporting date arising between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and unused tax losses only if it is probable that future taxable profit will be available to utilize those temporary differences and the carry forward of unused tax credits and unused tax losses.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Such deferred tax assets and liabilities are not recognised if the temporary differences arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off tax current tax assets against current tax liabilities and the deferred taxes relates to the same taxable entity and the same taxation authority. Current tax assets and tax liabilities are offset when the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

(g) Revenue recognition

Revenue from contracts with customers

The Ministry of Corporate Affairs ("MCA") has notified the IND AS 115, Revenue from Contract with Customers on 28th.March,2018,and the effective date is from accounting periods beginning on or after 1st.April,2018.

Revenue is recognised upon transfer of control of promised goods or services to customers at an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services The Company has concluded that it is the principal in its revenue arrangements, because it typically controls the services before transferring them to the customer.

Revenue is measured at the transaction price.

Revenue from construction contracts

Revenues are recognised over time under percentage of completion method. The percentage of completion method has been determined using input method which recognise revenue on the basis of costs incurred to date compared to total estimated contract costs.

Isgec Covema Limited
Significant accounting policies contd.

Contract Costs comprise of costs that directly relate to specific contract, costs that are attributable to contract activity in general and can be allocated to contract and such other costs as are specifically chargeable to the customer under the terms of contract.

When it is probable that total contract costs will exceed total contract revenue, the expected loss is recognised as an expense immediately.

Revenue in excess of invoicing are classified as contract assets (which we refer as unbilled revenue) while invoicing in excess of revenues are classified as contract liabilities (which we refer to as unearned income)

Unbilled revenues of Rs 147000/-/- as on 31st.March,2020 (Rs.Nil- as on 31st.march,2019) has been considered as a financial asset.

Interest income

Interest income is accounted on a time proportion basis taking into account outstanding and the effective interest rate(EIR).Effective rate of interest is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

(h) Earning per share (EPS)

Basic EPS amounts are calculated by dividing the profit for the year attributable to equity holders of the company by the Weighted average number of Equity shares outstanding during the year.

(i) Borrowing costs

Borrowing costs consists of interest and other costs, and are expensed in the period in which they are incurred.

(j) Financial instruments

(i) Measurement

An initial recognition, the company measures a financial asset at its fair value plus, in the case of financial asset not at fair value through profit and loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Financial assets with embedded derivatives are considered in their entirety when determining whether their cash flows are solely payment of principal and interest.

Debt instruments

Subsequent measurement of debt instruments depends on the company's business model for managing the asset and cash flow characteristics of the asset. There are three measurement categories into which the company classifies its debt instruments:

***Amortized cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost. A gain or loss on a debt investment that is subsequently measured at amortized cost and is not part of a hedging relationship is recognized in profit and loss when the asset is derecognized or impaired these. Interest income from these financial assets is included in finance income using the effective interest rate method.

***Fair value through other comprehensive income(FVOCI):** Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognized in OCI is reclassified from equity to profit and loss and recognized in other gains/(losses). Interest income from these financial assets is included in other income using the effective interest rate.

Isgec Covema Limited

Significant accounting policies contd.

***Fair value through profit or loss :** Assets that do not meet the criteria for amortized cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt instrument that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognized in profit or loss and presented net in the statement of profit and loss within other gain/(losses) in the period in which it arises. Interest income from these financial assets is included in other income.

(ii) Impairment of financial assets

In accordance with IND-AS 109, the company applies expected credit loss (ECL) mode for measurement and recognition of impairment loss on financial assets and credit risk exposures.

Financial assets that are debt instruments, and are measured at amortized cost e.g. loans, deposits, trade receivables and bank balance. Financial assets that are debt instruments and are measured as at FVTOCI

The company follows simplified approach for recognition of impairment loss allowance on trade receivables and unbilled revenue. The application of simplified approach does not require the company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its recognition. In calculating expected credit loss, the Company has also considered credit reports and other related credit information for its customers to estimate the probability of default in future and has taken into account estimates of possible effect from the pandemic relating to COVID -19.

(iii) Derecognition

Financial assets

A financial asset is derecognised only when the company has transferred the rights to receive cash flows from the financial asset or retains the contractual rights to receive cash flows of the financial asset, but assumes contractual obligation to pay the cash flows to one or more recipients when the entity has transferred an asset, the company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognized. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognized.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognized if the company has not retained control of the financial asset. Where the company retains control of the financial asset, the asset is continued to be recognized to the extent of continuing involvement in the financial asset.

Financial liabilities

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. when an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

(k) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the company or the counterparty.

(l) Trade payables

The amount represents liabilities for services provided to the company prior to the end of the period which are unpaid. The amounts are unsecured non-interest bearings and are usually paid within 60 days of recognition. They are recognized at amortized cost, and the carrying amounts are reasonable approximation of fair value.

Isgec Covema Limited
Significant accounting policies contd.

(n) Leases

The application of new accounting standard Ind AS 116 effective from financial years beginning or after April 1st, 2019 sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract i.e., the lessee and the lessor. Ind AS 116 introduces a single lessee accounting model and requires a lessee to recognize assets and liabilities for all leases with a term of more than twelve months, unless the underlying asset is of low value.

The standard permits two possible methods of transition:

Full retrospective – Retrospectively to each prior period presented applying Ind AS 8 Accounting Policies, Changes in Accounting Estimates and Errors.

Modified retrospective – Retrospectively, with the cumulative effect of initially applying the Standard recognized at the date of initial application.

Under modified retrospective approach, the lessee records the lease liability as the present value of the remaining lease payments, discounted at the incremental borrowing rate and the right of use asset either as:

Its carrying amount as if the standard had been applied since the commencement date, but discounted at lessee's incremental borrowing rate at the date of initial application OR

- An amount equal to the lease liability, adjusted by the amount of any prepaid or accrued lease payments related to that lease recognized under Ind AS 17 immediately before the date of initial application. Certain practical expedients are available under both the methods.

The new leases accounting standard is not applicable to the company as the Company is not having long-term leases and therefore no disclosures are to be provided on account of new accounting standard

(o) Recent Indian Accounting Standards (Ind AS)

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards. There is no such notification which would have been applicable from April 1, 2020.
