Isgec Commissions High-Capacity Biomass & Slop Fired Boilers in Thailand

February 21, 2022 - Noida: Isgec has commissioned its largest Biomass Boilers for a Bio Ethanol project in Thailand for GKBI through an EPC company, Sbang Corp. Ltd., Thailand.

The scope of work included the setting up of 2 Biomass Boilers of 230 TPH capacity each operating at 105 Bar and 540 Deg. C. These boilers are designed with the capability to burn 50% cane leaf. Also set up was a 60 TPH Slop Fired Boiler.

These three Boilers were successfully set up and commissioned by Isgec between December 2021 and February 2022, in the midst of the pandemic.

GKBI is a joint venture company of PTT, Thailand Petroleum Company and KTIS, the world's biggest sugar company.

About Isgec Heavy Engineering Ltd.

Isgec Heavy Engineering Ltd. is a diversified heavy engineering company engaged in manufacturing and project businesses with an extensive global presence. In operation for the past 89 years, it provides state-of-the-art, sustainable engineering solutions, with customers & projects spread across 91 countries.
