Isgec Bags a Major Order for FGD-FGC Package from Odisha Power Generation Corporation Ltd.

June 29, 2021, Noida: Isgpec has received a prestigious order for Wet Limestone Flue Gas Desulphurisation System and Flue Gas Conditioning System Package (FGD-FGC Package) from Odisha Power Generation Corporation Ltd. for their 2x660 MW TPPIB Thermal Power Station at Banharpalli, Jharsuguda, Odisha.

Isgec has Collaboration and Technology Transfer agreement with Babcock Power Environmental Inc., USA for Wet FGD, and it is this advanced technology that will be utilised for this project.

The scope of work includes Design, Engineering, Procurement, Fabrication, Construction, Installation, Commissioning, Startup, and Testing of FGD- FGC Package.

“We are excited to associate with Odisha Power Generation Corpn. Ltd. This is a very prestigious order for us from an esteemed State Government organisation. This is our 4th Project in the Wet FGD Business, and we are all geared up to take on and successfully execute this project.” said Mr. Suman Jain, Group Head – Utility Boilers, Air Pollution Control Equipment, and New Technology Development, Isgpec Heavy Engineering Ltd.
