Isgec Bags Order for Slop Fired Boiler from Sugar Industry

March 01, 2021 - Noida: Isgec has received yet another order for a Slop Fired Boiler from a prestigious company in the sugar industry for their distillery plant.

This will help the distillery plant achieve Zero Liquid Discharge thereby ensuring a cleaner and greener environment. It will also help in moving towards the Ethanol Blending initiative of the Government of India.

Isgec is internationally recognized for setting up a wide variety of industrial and green energy, as well as utility boilers. So far Isgec has set up more than 850 boilers across 48 countries, which include approx. 40 Slop fired boilers.

About Isgec Heavy Engineering Ltd.

Isgec Heavy Engineering Ltd. is a diversified heavy engineering company engaged in manufacturing and project businesses with an extensive global presence.
