INDEPENDENT AUDITOR'S REPORT

To the Members of Isgec Redecam Enviro Solutions Private Limited

Report on the Audit of the Ind AS Financial Statements

Opinion

We have audited the accompanying Ind AS financial statements of Isgec Redecam Enviro Solutions Private Limited ("the Company"), which comprise the Balance sheet as at March 31 2022, the Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the Ind AS financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing (SAs), as specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Ind AS Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Emphasis of Matters

Covid -19 impact

We draw attention to Note 22 to the standalone financial statements and Note 2 b (i) of Significant policies which describes the management's evaluation of impact of uncertainties related to COVID-19 and its consequential effects on the operations of the Company. Our opinion is not modified in respect of this matter.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's report but does not include the Ind AS financial statements and our auditor's report thereon.

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of Sub-section (11) of Section 143 of the Act, we give in the "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the Order.

 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Parties ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

K.C. MALHOTRA & CO.

- c) Based on such audit procedures that were considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
- v. No dividend has been declared or paid during the year by the Company.

ANNEXURE 1 REFERRED TO IN PARAGRAPH 1 UNDER THE HEADING OF “REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS” OF OUR AUDIT REPORT OF EVEN DATE

Re: Isgec Redecam Enviro Solutions Private Limited) ('the Company')

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

- (i)(a)(A) The Company does not have any property, plant and equipment as at March 31, 2022 and, accordingly, the requirements to report on clause 3(i) (a),(b),(c), (d) and (e) of the order is not applicable to the Company
- (ii)(a) The Company's business does not require maintenance of inventories and, accordingly, the requirement to report on clause 3(ii)(a) of the Order is not applicable to the Company.
- (ii)(b) The Company has not been sanctioned working capital limits in excess of Rs. five crores in aggregate from banks or financial institutions during any point of time of the year on the basis of security of current assets. Accordingly, the requirement to report on clause 3(ii)(b) of the Order is not applicable to the Company.
- (iii) According to the information and explanations given to us, the Company has not granted loans and advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(a), (b), (c), (d), (e) and (f) of the Order is not applicable to the Company.
- (iv) There are no loans, investments, guarantees, and security in respect of which provisions of Sections 185 and 186 of the Companies Act, 2013 are applicable and accordingly, the requirement to report on clause 3(iv) of the Order is not applicable to the Company.
- (v) The Company has neither accepted any deposits from the public nor accepted any amounts which are deemed to be deposits within the meaning of Sections 73 to 76 of the Companies Act and the rules made thereunder, to the extent applicable. Accordingly, the requirement to report on clause 3(v) of the Order is not applicable to the Company.
- (vi) The Company is in the business of resale of goods or provision of such services as prescribed.
- (vii) The Company is regular in depositing with appropriate authorities undisputed statutory dues including goods and services tax, income-tax, cess and other statutory dues applicable to it. The provisions related to provident fund, employees' state insurance, sales tax, duty of excise, duty of customs, and value added taxes are not applicable to the Company. According to the information and explanations given to us and based on audit procedures performed by us, no undisputed amounts payable in respect of these statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable.

- (b) There are no dues of goods and services tax, provident fund, employees' state insurance, income tax, sales-tax, service tax, customs duty, excise duty, value added tax, cess, goods and service tax and other statutory dues which have not been deposited on account of any dispute.
- (viii) The Company has not surrendered or disclosed any transaction, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year. Accordingly, the requirement to report on clause 3(viii) of the Order is not applicable to the Company.
- (ix)(a) According to the information and explanations given to us and records examined by us, the Company has not defaulted in repayment of loan or interest to any lender.
- (ix)(b) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
- (ix)(c) The Company did not have any term loans outstanding during the year hence, the requirement to report on clause (ix)(c) of the Order is not applicable to the Company.
- (ix)(d) The Company did not raise any funds during the year hence, the requirement to report on clause (ix)(d) of the Order is not applicable to the Company.
- (ix)(e) The Company does not have any subsidiary, associate or joint venture. Accordingly, the requirement to report on clause 3(ix)(e) of the Order is not applicable to the Company.
- (ix)(f) The Company does not have any subsidiary, associate or joint venture. Accordingly, the requirement to report on Clause 3(ix)(f) of the Order is not applicable to the Company.
- (x)(a) The Company has not raised any money during the year by way of initial public offer / further public offer (including debt instruments). Accordingly, the requirement to report on clause 3(x)(a) of the Order is not applicable to the Company.
- (x)(b) The Company has not made any preferential allotment or private placement of shares /fully or partially or optionally convertible debentures during the year under audit and hence, the requirement to report on clause 3(x)(b) of the Order is not applicable to the Company.
- (xi)(a) No fraud/material fraud by the Company or no fraud/material fraud on the Company has been noticed or reported during the year.
- (xi)(b) During the year, no report under Sub-section (12) of Section 143 of the Companies Act, 2013 has been filed by cost auditor, secretarial auditor or by us in Form ADT – 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (xi)(c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.
- (xii) The Company is not a Nidhi company as per the provisions of the Companies Act, 2013. Therefore, the requirement to report on clause 3(xii)(a), (b) and (c) of the order are not applicable to the Company.

- (xiii) Transactions with the related parties are in compliance with Section 188 of Companies Act, 2013 where applicable and the details have been disclosed in the notes to the financial statements, as required by the applicable accounting standards. The provisions of Section 177 are not applicable to the Company and accordingly the requirements to report under clause 3(xiii) of the Order insofar as it relates to Section 177 of the Act is not applicable to the Company.
- (xiv) The Company does not have an internal audit system and is not required to have an internal audit system under the provisions of Section 138 of the Companies Act, 2013. Therefore, the requirement to report under clause 3(xiv)(a) and (b) of the Order are not applicable to the Company.
- (xv) The Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence requirement to report on clause 3(xv) of the Order is not applicable to the Company.
- (xvi)(a) The provisions of Section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934) are not applicable to the Company. Accordingly, the requirement to report on clause (xvi)(a) of the Order is not applicable to the Company.
- (xvi)(b) The Company has not conducted any Non-Banking Financial or Housing Finance activities without obtaining a valid Certificate of Registration (COR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934.
- (xvi)(c) The Company is not a Core Investment Company as defined in the regulations made by Reserve Bank of India. Accordingly, the requirement to report on clause 3(xvi)(c) of the Order is not applicable to the Company.
- (xvi)(d) There is no Core Investment Company as a part of the Group, hence, the requirement to report on clause 3(xvi)(d) of the Order is not applicable to the Company.
- (xvii) The Company has not incurred cash losses in the current financial year but incurred cash loss of Rs 38760311/- in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year and accordingly requirement to report on Clause 3(xviii) of the Order is not applicable to the Company.
- (xix) On the basis of the financial ratios disclosed in note 18 to the financial statements, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We,

K.C. MALHOTRA & CO.

however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- (xx) The provisions of Section 135 of the Companies Act, 2013 are not applicable to the Company and hence, the requirement to report on clause 3(xx)(a) and (b) of the Order are not applicable to the Company.

Note 2 : Summary of Significant Accounting Policies

(a) Basis of preparation and Statement of Compliance

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) from time to time and presentation requirements of Division II of Schedule III of the Companies Act, 2013, (IN AS compliant Schedule III), as applicable to the company.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

These financial statements have been prepared under the historical cost convention on the accrual basis, except for certain financial instruments and provisions which are measured at fair values at the end of each reporting period, as explained in the accounting policies below (as applicable). The financial statements were authorised for issue by the company's Board of Directors on 27th April, 2022.

(b) Accounting estimates, assumptions and judgments

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and other comprehensive income that are reported and disclosed in the financial statements and accompanying notes. Although these estimates are based upon management's best knowledge of current events and actions, Uncertainty about these assumptions and estimates could result in outcomes requiring a material adjustment to the carrying amounts of assets and liabilities in future period. Changes The area involving critical estimate or judgment is Recognition of deferred tax assets for carried forward losses, Impairment of trade receivables, estimation of tax expense, estimation of uncertainty relating to the Global health pandemic on covid, 19 in note 22, financial risk management objectives and policies in note 20 and other contingencies and commitments. Changes in estimates are reflected in the financial statements in the year in which the changes are made. Actual results could differ from the estimates.

(b) (i) Estimation of uncertainties relating to the global health in note pandemic from COVID-19 (COVID-19):

The Company has considered the possible effects that may result from the pandemic relating to COVID-19 on the carrying amounts of receivables and unbilled revenues. In developing the assumptions relating to COVID-19 on the carrying amounts of receivables and unbilled revenue to the possible future uncertainties in the global economic conditions because of this pandemic, the Company, as at the date of approval of these financial statements has used internal and external sources of information including credit reports and related information, economic forecasts. The Company has performed sensitivity analysis on the assumptions used and based on current estimates expects the carrying amount of these assets will be recovered. The impact of COVID-19 on the Company's financial statements may differ from that estimated as at the date of approval of these financial statements.

Isgec Redecam Enviro Solutions Private Limited
Significant accounting policies contd.

(c) Current versus Non-current classification

The Company presents assets and liabilities in statement of financial position based on current/non-current classification. An asset is treated as current when it is:

- * expected to be realised in normal operating cycle,
- * Held primarily for the purpose of the trading,
- *Expected to be realised within twelve months after the reporting period, or
- *Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is classified as current when:

- *it is expected to be settled in normal operating cycle,
- *it is held primarily for the purpose of the trading,
- *it is due to be settled within twelve months after the reporting period, or
- *there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

(d) Cash and cash equivalents

Cash and cash equivalents includes cash on hand and deposit with banks. Cash equivalents are short term, highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

The cash flow statement is prepared in accordance with the Indian Accounting Standard (Ind AS) -7 "Statement of Cash flows" using the indirect method for operating activities.

(e) Provisions, Contingent Liability and Contingent Assets

Provisions are recognized when the company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

A contingent liability is disclosed when a possible obligation from past events and whose existence will be confirmed only by occurrence or non-occurrence of one or uncertain events not wholly within the control of the entity; or a present obligation that arises from past events but is not recognised because it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or the amount of obligation be measured with sufficient reliability.

A contingent asset is disclosed, when possible asset that arises from past events and whose existence will be

Isgec Redecam Enviro Solutions Private Limited
Significant accounting policies contd.

confirmed only by occurrence or non-occurrence of one or more uncertain events not wholly within the control of the entity.

Contingent liabilities and contingent asset are not recognised but are disclosed in notes.

(f) Taxes

Current tax

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961. However, No provision for tax has been made, as there is no assessable income for the year.

Current income tax relating to items recognised outside statement of profit or loss is recognised outside statement of profit or loss (either in other comprehensive income (OCI) or in equity).

Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred income tax is provided using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and unused tax losses only if it is probable that future taxable profit will be available to utilize those temporary differences and the carry forward of unused tax credits and unused tax losses.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off tax current tax assets against current tax liabilities and the deferred taxes relates to the same taxable entity and the same taxation authority. Current tax assets and tax liabilities are offset when the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

(g)(i) Revenue from contracts with customers

Revenue is recognised upon transfer of control of promised goods or services to customers at an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The Company has concluded that it is the principal in its revenue arrangements, because it typically controls the services before transferring them to the customer.

Revenue is measured at the transaction price.

(ii) Revenue from construction contracts

Revenues are recognised over time under percentage of completion method. The percentage of completion method has been determined using input method which recognise revenue on the basis of costs incurred to date compared to total estimated contract costs. Contract Costs comprise of costs that directly relate to specific contract, costs that are attributable to contract activity in general and can be allocated to contract and such other costs as are specifically chargeable to the customer under the terms of contract.

Isgec Redecam Enviro Solutions Private Limited
Significant accounting policies contd.

When it is probable that total contract costs will exceed total contract revenue, the expected loss is recognised as an expense immediately.

Revenue in excess of invoicing are classified as contract assets (which we refer as unbilled revenue) while invoicing in excess of revenues are classified as contract liabilities (which we refer to as unearned income)

Unbilled revenues of Rs 17,13,000/- as on 31st.March,2022 (Rs.10,54,000/-as on 31st.March,2021) has been considered as a financial asset.

(h) Interest income

Interest income is accounted on a time proportion basis taking into account outstanding and the effective interest rate (EIR). Effective rate of interest is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

(i) Export Incentive income

Benefits under "Served India Scheme" for foreign exchange earned under prevalent scheme of Government of India are accrued when the right to receive these benefits as per the terms of the scheme is established and accrued to the extent there is no significant un-certainty about the measurability and ultimate utilization.

(j) Earning per share (EPS)

Basic EPS amounts are computed by dividing the profit for the year attributable to equity holders of the company by the Weighted average number of Equity shares outstanding during the year.

(k) Foreign currencies

(i) Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency Amount the exchange rate between the reporting currency and the foreign currency at the date of transaction.

(ii) Conversion

Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date.

(iii) Exchange differences:

The company accounts for foreign exchange differences arising on translation/settlement of foreign currency monetary items by recognizing the exchange differences as income or as expenses in the period in which they arise.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e translation differences on items whose fair value gain or loss is recognised in OCI or profit or loss are also recognised in OCI or profit or loss, respectively).

In determining the spot exchange rate to use on initial recognition of the related asset, expense or income (or part of it) on the derecognition of a non – monetary asset or non -monetary liability relating to advance consideration, the date of the transaction is the date on which the Company initially recognises the non-monetary asset or non-monetary liability arising from the advance consideration. If there are multiple payments

Isgec Redecam Enviro Solutions Private Limited
Significant accounting policies contd.

or receipts in advance, the Company determines the transaction date for each payment or receipt of advance consideration.

(I) Financial instruments

Initial recognition and measurement

Financial assets are classified, at initial recognition, as subsequently measured at amortised cost, fair value through other comprehensive income (OCI) and fair value through profit and loss.

An initial recognition, the company measures a financial asset at its fair value plus, in the case of financial asset not at fair value through profit and loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Financial assets with embedded derivatives are considered in their entirety when determining whether their cash flows are solely payment of principal and interest.

Debt instruments

Subsequent measurement of debt instruments depends on the company's business model for managing the asset and cash flow characteristics of the asset. There are three measurement categories into which the company classifies its debt instruments:

***Amortised cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognized in profit and loss when the asset is derecognized or impaired these. Interest income from these financial assets is included in finance income using the effective interest rate method.

***Fair value through other comprehensive income(FVOCI):** Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI).Movements in the carrying amount are taken through OCI ,except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognized in OCI is reclassified from equity to profit and loss and recognized in other gains/(losses). Interest income from these financial assets is included in other income using the effective interest rate.

***Fair value through profit or loss :** Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt instrument that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognized in profit or loss and presented net in the statement of profit and loss within other gain/(losses) in the period in which it arises. Interest income from these financial assets is included in other income.

Impairment of financial assets

In accordance with IND-AS 109,the company applies expected credit loss (ECL) mode for measurement and recognition of impairment loss on financial assets and credit risk exposures.

Financial assets that are debt instruments, and are measured at amortised cost e.g. loans, deposits, trade receivables and bank balance. Financial assets that are debt instruments and are measured as at FVTOCI

The company follows simplified approach for recognition of impairment loss allowance on trade receivables. The application of simplified approach does not require the company to track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its recognition.

Isgec Redecam Enviro Solutions Private Limited
Significant accounting policies contd.

Derecognition

A financial asset is derecognised only when the company has transferred the rights to receive cash flows from the financial asset or retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients when the entity has transferred an asset, the company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognized. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognized.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognized if the company has not retained control of the financial asset. Where the company retains control of the financial asset, the asset is continued to be recognized to the extent of continuing involvement in the financial asset.

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables.

Subsequent measurement

For purposes of subsequent measurement, financial liabilities are classified in two categories:

- Financial liabilities at fair value through profit or loss
- Financial liabilities at amortised cost (loans and borrowings)

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss.

Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the profit or loss.

Isgec Redecam Enviro Solutions Private Limited
Significant accounting policies contd.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ losses are not subsequently transferred to p &L. However, the company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit and loss. The Company has designated its liabilities as financial liability as at fair value through profit or loss.

Financial liabilities at amortised cost (Loans and borrowings)

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

This category generally applies to borrowings. The Company has not designated its financial liabilities at amortised cost.

(m) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the company or the counterparty.

(n) Leases

The leases accounting standard IND AS 116 is not applicable to the company as the Company is not having long-term leases and therefore no disclosures are to be provided on account of this accounting standard

o) Trade payables

The amount represents liabilities for services provided to the company prior to the end of the period which are unpaid. The amounts are unsecured non-interest bearings and are usually paid within 60 days of recognition. They are recognized at amortised cost, and the carrying amounts are reasonable approximation of fair value.

p) New and amended standards and interpretations

The Ministry of Company Affairs ("MCA") has carried out amendments to the following accounting standards
(i) Ind AS 116: Covid-19-Related Rent Concessions:

MCA issued an amendment to Ind AS 116 Covid-19-Related Rent Concessions beyond 30 June 2021 to update the condition for lessees to apply the relief to a reduction in lease payments originally due on or before 30 June 2022 from 30 June 2021. The amendment applies to annual reporting periods beginning on or after 1 April 2021.

The new and amended accounting standard is not applicable to the company.

Isgec Redecam Enviro Solutions Private Limited
Significant accounting policies contd.

The effect on adoption of below mentioned amendments had no impact on the Ind AS financial statements of the Company. The Company has not early adopted any standards or amendments that have been issued but are not yet effective.

(ii) Ind AS 103: Business Combinations

(iii) Amendment to Ind AS 105, Ind AS 16 and Ind AS 28

(iv) Conceptual framework for financial reporting under Ind AS issued by ICAI

(v) Interest Rate Benchmark Reform – Phase 2: Amendments to Ind AS 109, Ind AS 107, Ind AS 104 and Ind AS 116

Ministry of Corporate Affairs (“MCA”) issued notification dated March 24, 2021 to amend Schedule III to the Companies Act, 2013 to enhance the disclosures required to be made by a Company in its financial statements. These amendments which are applicable to the Company for the financial period starting from April 01, 2021 has been applied by the Company in the financial statements for the current year.

Note 20 : Financial risk management

The company's financial liabilities comprise only trade payable and other financial liabilities. The main purpose of these financial liabilities is to manage finances for company's operations. The company's principal financial assets include trade and other receivables, loans cash and cash equivalents that are derived directly from operations. The Company's financial risk management is an integral part of how to plan and execute its business strategies. The company is exposed to market risk, credit risk and liquidity risk.

(a) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprises three types of risk: currency rate risk, interest rate risk and other price risks, such as equity price and commodity price risk. Financial instruments affected by market risks include loans, deposits and foreign currency receivables and payables. The sensitivity analyses in the following sections relate to the position as at 31st.March,2022 and 31st.March,2021

(i) Interest risk interest

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. In order to optimize the Company's position with regard to interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of the fixed rate and floating rate financial instruments in its total portfolio. The exposure of borrowings to interest rate changes at the end of reporting year are : Variable rate of borrowings Rs 1,46,23,994/- refer note 6(a) and 6(a)1.(iii)

Isgec Redecam Enviro Solutions Private Limited
Notes on financial statements for the year 31st March, 2022
(All amounts are in Indian Rupees, unless otherwise stated)

(ii) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The company operates internationally. The following tables demonstrate the sensitivity to a reasonably possible change in Euro exchange rates, with all other variables held constant. The impact on the Company's profit before tax is due to changes in the fair value of monetary assets and liabilities. Foreign currency exposures recognized by the Company that have not been hedged by a derivative instrument or otherwise are as under:

Currency	Nature of Transaction	31st March, 2022		31st March, 2021	
		Foreign Currency	Indian Rupees	Foreign Currency	Indian Rupees
EURO	Export Trade Receivables	9,985	8,96,559	65,861	53,19,751

(b) Credit risk

Credit risk is the risk that a counterparty will not meet the obligation under a financial instrument or customer contract, leading to a financial loss. The company is exposed from its operating activities (primarily trade receivables) which are unsecured and derived from external customers. Credit risk on cash and cash equivalents is limited as we generally invest in deposits with banks. Investments primarily include certificates of deposits which are funds deposited at a bank for a specified time period. The board of directors reviews and agrees policies for managing each of these risks. The limits are set to minimize the concentration of risks, and therefore mitigate loss through counterparty's potential failure to make payments.

Trade receivables

Customer credit risk is managed by the company's established policy, procedures and control relating to customer credit risk management. Outstanding customer receivables are regularly monitored and an impairment analysis is performed at each reporting date on trade receivables by lifetime expected credit loss method based on provision matrix. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. The Company does not hold collateral as security. The company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and industries and operate in largely independent markets. Trade receivables are written off when there is no reasonable expectations of recovery or failing to engage in a repayment plan with the company.

The ageing analysis of the trade receivables (gross of provision) has been considered from the date the invoice falls due:

Ageing	Not due	Less than 6 months	6 to 12 months	More than 12 months	Total
As at 31.3.2022

(c) Liquidity risk

Liquidity risk is defined as the risk that company will not be able to settle or meet its obligation on time or at a reasonable price. The Company's objective is to at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company's treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risk are overseen by senior management. Management monitors the company's net liquidity position through rolling, forecast on the basis of expected cash flows.

Maturities of financial liabilities

The table below provides the details regarding the remaining contractual maturities of financial liabilities at the reporting date based on contractual undiscounted payments. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

Capital Management

(a) Risk management

The primary objective of the capital management is to maximise the shareholder value and also maintain an optimal capital structure to reduce cost of capital. In order to manage the capital structure, the Company may adjust the amount of dividend paid to shareholders, return on capital to shareholders, issue new shares or sell assets to reduce debts. The Company monitors capital on the basis of the following gear ratio, which is net debt divided by total capital plus debt

Particulars	31st March, 2022	31st March, 2021
Debt	1,46,23,994	2,55,41,431
less: Cash and bank equivalents	(18,739)	(1,49,667)
Net debt	1,46,05,255	2,53,91,764
Total equity	13,19,985	(95,84,601)
Total equity and net debt	1,59,25,240	1,58,07,163
Net debt to debt and equity ratio (Gearing Ratio)	0.92	1.61

(b) Loan Covenants

In order to achieve the overall objective, the company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to call loans and borrowings or charge some penal interest. There have been no breaches in the financial covenants of any interest-bearing borrowings in the current period.
