Encl.: as above

## PRESTIGIOUS ORDER FOR HIGH PRESSURE WASTE HEAT BOILERS

We are proud to share that Isgec has bagged prestigious order from major steel company from eastern India for supply of Seven Waste Heat Recovery Boilers utilising Waste Gases from DRI Sponge Iron Kiln. These boilers will generate steam at 125 kg/cm<sup>2</sup> (a) pressure.

Waste Heat Recovery is best way to reduce CO<sub>2</sub> emissions and leading the nation towards sustainable and greener environment.

We thank the client for showing confidence with Isgec with new orders. Earlier Isgec supplied 4 CFBC boilers to the same company which are in operation satisfactorily.
