Isgec Bags a Significant Order for Soda Ash Project from Russia

July 19, 2021, Noida: Isgec has recently secured a prestigious order for two sets of Carbonation Columns, one set of Gas Scrubber Columns, and one set of Distillation Columns. This order has been received from one of the world's most prominent soda ash manufacturing companies based in Russia. Isgec has already supplied Carbonation Columns to this company earlier and has now received a repeat order for this product which is a testament to the quality of Isgec Castings.

The broad scope of the order includes Casting, Machining, Hydro Testing, and Painting. Due to the corrosive nature for which these products are to be used, all castings will be made using Nickel Alloy.

About Isgec Heavy Engineering Ltd., India

Isgec Heavy Engineering Ltd. is a diversified heavy engineering company engaged in manufacturing and project businesses with an extensive global presence. In operation for the past 88 years, it provides state-of-the-art, sustainable engineering solutions, with customers & projects spread across 91 countries.
